 3. Membership totals for the end of March
 4. Events at the RWF in March
 5. 2019 RWF Pheasant Rearing Program
 6. SWF News Release
 7. Additional Information
-

1. RWF Grounds Cleanup

The grounds cleanup date for 2019 is Saturday May 25th at 09:00. Lunch will be provided. Mark this on your calendars.

2. Membership Information – Renewals

A reminder to members - check your membership cards to make sure that the information on your cards match what you purchased. Please contact us if you think it's incorrect.

Also, remember that you will receive an automated email from our membership system 30 days before your membership Anniversary Date. This email will contain a link to your membership invoice that you can pay with any credit card. Your membership will expire 30 days after your Anniversary date and the link to pay for your membership will also expire on that day.

If you let your membership expire, you can renew at any time from our website by clicking on “RWF Memberships” and then clicking on “Purchase a New Membership” and following the instructions. REMEMBER, that if you do this, please be consistent when entering your name and email address. Our membership system identifies you using two parameters - your name and email address. If you use an alternate first name such as “Bob” instead of “Robert” or “Mike” instead of “Michael” or “Bill” instead of “William”, our system will consider you to be a completely new person and will either create a duplicate record or prevent you from renewing by giving you a warning that your email address is already in use. SO TO PREVENT THIS PROBLEM, remember that when you renew, check your membership card and use the same name and spelling that is shown on that card.

Also, when renewing keep in mind that if you had paid for Indoor Range Access last year, it will not automatically be added to your 2019 Membership! You must select it from the list of additional items.

3. Membership totals for the end of March

On March 31, 2019 our membership total was 572, 2019 members and 434, 2018 members for a total of 1006 Anniversary year members.

4. Events at the RWF in March

On Sunday, Mar 31, the RAPS Club hosted an IPSC Match at the Indoor Range.

See the photo below of the event:

5. 2019 RWF Pheasant Rearing Program

- The people managing this project are getting the equipment and building ready for the arrival of the Pheasant chicks. We may be emailing out a number of requests for assistance from the members for this project.

See the photos below after work was done on April 6th:

6. SWF News Release

The SWF is concerned with the closure of 19 Rural Ministry of Environment Offices. See the attached link for more information:

<https://swf.sk.ca/media-releases/>

7. Additional Information

The minutes for the Apr 2 Board meeting are now on the RWF website in the Members Area. Please connect to our website and view these minutes as they provide more detailed information about the operation of the RWF. Remember that you must logon to view the information in the Members Area. If you cannot logon, your RWF membership may have expired and you will need to renew your membership.
